About the system. The Biodiversity Monitoring and Reporting System provides DOC and others with consistent, comprehensive information about biodiversity across public conservation lands, and potentially across New Zealand.

DOC's monitoring and reporting system

Simpson & Brown's in-house heritage consultancy team produce reports that assist clients in heritage and conservation projects, helping them to manage and develop their built heritage assets.

Heritage Consultancy - Simpson & Brown Architects

Historic preservation (US), heritage preservation or heritage conservation (UK), is an endeavour that seeks to preserve, conserve and protect buildings, objects, landscapes or other artifacts of historical significance. This term refers specifically to the preservation of the built environment, and not to preservation of, for example, primeval forests or wilderness.
