

collectivism after modernism the pdf

Modernism is a philosophical movement that, along with cultural trends and changes, arose from wide-scale and far-reaching transformations in Western society during the late 19th and early 20th centuries. Among the factors that shaped modernism were the development of modern industrial societies and the rapid growth of cities, followed then by reactions of horror to World War I.

Modernism - Wikipedia

Renaissance humanism is the study of classical antiquity, at first in Italy and then spreading across Western Europe in the 14th, 15th, and 16th centuries. The term humanism is contemporary to that period, while Renaissance humanism is a retronym used to distinguish it from later humanist developments.. Renaissance humanism was a response to the utilitarian approach and what came to be ...
