

communication and interpersonal skills pdf

In simple terms, interpersonal communication is the communication between one person and another (or others). It is often referred to as face-to-face communication between two (or more) people. Both verbal and nonverbal communication, or body language, play a part in how one person understands another. In verbal interpersonal communication there are two types of messages being sent: a content ...

Communication - Wikipedia

Communicating effectively isn't an innate talent that some people have and others don't—it's something that anyone can learn and practice. In this course, learn strategies that can help you hone and master your interpersonal communication skills.
