Sociology is the scientific study of society, patterns of social relationships, social interaction, and culture of everyday life. It is a social science that uses various methods of empirical investigation and critical analysis to develop a body of knowledge about social order, acceptance, and change or social evolution. While some sociologists conduct research that may be applied directly to ...

Indian painting has a very long tradition and history in Indian art. The earliest Indian paintings were the rock paintings of pre-historic times, the petroglyphs as found in places like Bhimbetka rock shelters, some of the Stone Age rock paintings found among the Bhimbetka rock shelters are approximately 30,000 years old. India's Buddhist literature is replete with examples of texts which ...
