Incarceration in the United States is one of the main forms of punishment and rehabilitation for the  
commission of felony and other offenses. The United States has the largest prison population in the world,  
and the highest per-capita incarceration rate.

History. In the late 20th century, the Mississippi Department of Corrections (MDOC) began to contract with  
private companies to build and operate prisons in the state to meet rising demand, in part due to changes in  
sentencing guidelines.
